Simulated Wood Grain Trim Panel & Door Panel Kits

Make a statement inside. Give your truck interior the look and feel of luxurious birdseye maple with a warm cherry stain. We craft these from durable plastic so they can handle the grunt and grind of a commercial truck.

*Easy snap-in installation

Applicable Models:
All 2005-2013 Conventional

Part Numbers:
S554141290 — Wood Grain Dash Surround
681431030A — Door Trim Left
681441020A — Door Trim Right

Air Ride Seats

Do you have comfort on your mind? Our seat is designed to accommodate drivers up to 350 lbs, includes a single heavy duty 1.62 in diameter shock damper. Based on the very popular Sears Atlas 70 Premium seat and engineered to mount and fit seamlessly into your Hino Truck.

- Contoured magnesium support structure
- Four cushion air lumbar support provides ergonomically correct support
- The new super-smooth toggle-link air suspension provides superior lateral support. No side-to-side rocking.
- Double-locking slide rails provide 9 inches of travel.
- Seat tilt & extension operate independently to fit drivers of all sizes
- Re-designed tilt-up and height-adjustable armrests with easy operating turn-knob fore/aft isolator with lockout
- Custom bracket to accommodate the washer fluid bottle on the passenger side

*Onboard air source required

Note: New seat belts may be required when changing to air ride seats. Please contact Hino Motors Sales if you have questions.

Applicable Models:

- All 2005-2007 NJ-NV
- All 2008-2013 models

IMM-F 104918
Floor Mats

Black durable rubber floor mats with the red Hino emblem. Easy to shake out the dirt and debris or clean it with soapy water. Makes your truck feel like a Hino with style.

- Ordered as a Pair

Applicable Models:
All 2005-2013 Conventional

Part Number:
FLRMATNAPS
Air Deflector Kit

Look great and improve aerodynamics with the Hino Air Deflector Kit.

Hino has worked hard to develop a product that looks great and actually cuts your operating costs by reducing fuel consumption. Plus, the unique modular lightweight (43 lbs) design makes installation fast and easy – it can even be mounted without the use of a hoist or crane! So now is the perfect time to dress up your truck and start saving, with a genuine Hino Air Deflector.

• Robust construction for longer service life
• Modular design for easy installation
• Excellent cab-to-roof fit for maximum aerodynamic benefits
• Provides excellent “billboard” location for promoting your business with your logo
• Available in HINO white (as shown in photo), can also be custom painted to match any vehicle

Applicable Models:
All 2005-2013 Conventional

Part Numbers:
G-MAD-H-AS-01 — White Air Deflector (shown in photo)
G-MAD-H-AS-01-05 — Black Air Deflector
G-MAD-H-AS-01-07 — Red Air Deflector

***Please ask your Hino dealer about our volume discounts.
Window Venta-Lators

Let fresh air into the cab even during bad weather

- Smoked acrylic
- Help keep the rain out
- Help reduce window fogging
- Lower interior temperatures while the vehicle is parked
- Mounts easily and directly into the window channel for security and durability over the long haul.
- Sold in pairs

Applicable Models:
All 2005-2013 Conventional

Part Number:
VL-896
Bug Screen

• Made from durable fiberglass mesh
• Includes snaps & hardware kit
• Keeps bugs and debris off your chrome

Applicable Models:
All 2005-2010 Conventional

Part Numbers:
BS-2215 fits 145/165 & 185
BS-2216 fits 238/258/268 & 338

Wave Bug Deflector

Provides maximum efficiency and appeal, while preventing bugs and road debris from hitting the windshield.

• Vacuum-formed from smoke-tinted Lexan plastic
• Still allows for maximum visibility

Applicable Models:

Hino Genuine Oil
HINO Genuine Oil sets the standard for super high performance diesel engine oils. Combining high performance synthetics with Hino proprietary (high TBN and low ash) additive chemistry provides superior protection and greatly extends conventional service intervals.

Part Numbers:
15000-0003 — 1 gallon bottle (4 gallons per case/45 cases per skid)
15000-0001 — 55-gallon drum (4 drums per skid)

Hino Genuine Coolant
HINO LLC-EX SUPER Antifreeze/Coolant is a new generation ethylene glycol-based premium engine antifreeze/coolant offering excellent corrosion protection. It is formulated specifically for HINO engines.

Part Numbers:
HP-LLC-01 — 1 gallon bottle pink coolant (6 bottles per case)
HP-LLC-55 — 55-gallon plastic drum pink coolant (4 drums per skid)
HP-EXLLC-01 — 1 gallon bottle blue long-life coolant

Hino Genuine Filters
HINO Genuine Filter Kits are developed specifically for your HINO truck engine. Both oil and fuel filters come in one convenient package.

Part Numbers:
LDTFKITM — Filter Kit LDT Oil and Fuel Filters (6 kits per case)
MDTFKITM — Filter Kit MDT Oil and Fuel Filters (6 kits per case)
