**THANK YOU! TO THE 24 FINALISTS
FOR THE 2020 MASTER ELITE HINO
SERVICE SKILLS COMPETITION!**

THE TOP 24

Like many other events in 2020, Hino Trucks Master Elite Service Competition was cancelled to keep our team safe & healthy from a national pandemic. We are in good company – cancellations this year have included the Olympics & March Madness, Broadway & Times Square shut down and even the lights were turned off on the city that never sleeps – Vegas. It is clear that this year's Class of 2020 Finalists are like no other! And as such deserve to be recognized in a special way.

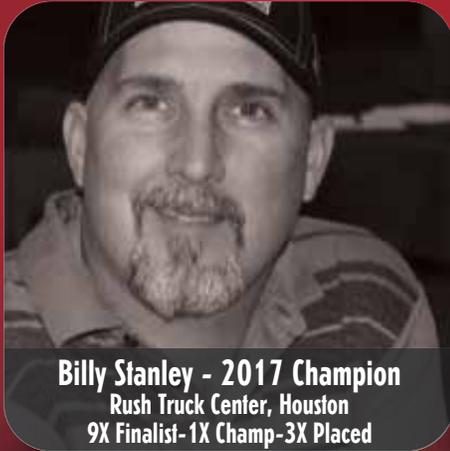

This year's prize package will be split up among all 24 finalists. Each finalist will receive at least **\$2,000** cash as well as an additional prize package. We thank each and every one of our top finalists for working so hard to support Hino Trucks – and for love of this competition. Each year the level of competition gets more intense and are disappointed that we won't be able to get together in person this year. Stay tuned for details on our 2021 event!

In the meantime, here's your **TOP 24!**
