

EXTENDED EMISSIONS WARRANTY COVERAGE
2011 - 2017 Model Year Hino Conventional (J08) and COE (J05) Trucks
2020 Model Year Hino Conventional XL (A09) Trucks

Terms & Conditions

Extended Emissions Warranty Coverage Terms & Conditions as related to the below components and systems:		10 years from initial Warranty Start Date OR until April 1, 2029, whichever is longer.	13 years from initial Warranty Start Date OR until April 1, 2032, whichever is longer.	10 years from initial Warranty Start Date. (except J08 ATC and J05 Turbo)	J08 ATC Only 10 years from initial Warranty Start Date OR until May 9, 2027, whichever is longer.	J05 Turbocharger Only 10 years from initial Warranty Start Date OR until October 31, 2028, whichever is longer.
A.	1. Diesel Oxidation Catalyst ("DOC")	✓				
	2. Selective Catalyst Reduction ("SCR") Catalyst	✓				
	3. Exhaust Gas Recirculation ("EGR") Valve	✓				
B.	4. Engine Control Unit ("ECU") and Software		✓			
	5. DEF Line Heaters		✓			
	6. DEF System Control Unit ("DCU") and Software		✓			
	7. DOC Inlet Temperature Sensor		✓			
	8. DOC Outlet Temperature Sensor		✓			
	9. Diesel Particulate Filter ("DPF" or "DPR")		✓			
	10. DPF Outlet Temperature Sensor		✓			
	11. DPF Pressure Sensor - Upstream		✓			
	12. DPF Pressure Sensor - Downstream		✓			
	13. Particulate Matter ("PM") Sensor		✓			
	14. SCR Inlet Temperature Sensor		✓			
	15. NOX Sensor - Upstream		✓			
	16. NOX Sensor - Downstream		✓			
	17. All OBD Sensors for the DPF System		✓			
	18. Camshaft Position Sensor		✓			
	19. Coolant Temperature Sensor		✓			
	20. Crankshaft Position Sensor		✓			
	21. Intake Air Flow Meter		✓			
	22. Outside Air Temperature Sensor		✓			
C.	23. After Turbo Catalyst ("ATC")			✓	✓	
	24. DEF Supply Module, Pump, and Temperature Sensor Unit			✓		
	25. DEF Quality Sensor			✓		
	26. Turbocharger			✓		✓
	27. Fuel Cut Valve			✓		
	28. Burner Atomizer			✓		
Others	OBD diagnostic scans and MIL On diagnostic services		✓
